PROVINCE 41 - WESTMINSTER **ROUNDABOUT**

Councils in
Province 41 Westminster

THE BI-MONTHLY NEWSLETTER OF PROVINCE 30 SINCE APRIL 1994
ISSUE No. 182
MAR - APR 2024

*North London - Edmonton - Hanwell - Palmers Green - St Albans - Willesden Green - Hayes - Sudbury
Mill Hill - Wood Green - Chiswick - Cockfosters - Hemel Hempstead - Enfield - Harrow & District

Feltham/Cranford - Yeading - Whitton - Wembley - Thames Valley*

Brothers, Fathers, Widows, family and friends, This issue is a landmark in my life in the Order. It is the end of Province 30 my province when I joined the Knights, and the province I returned to after moving house, switching to province 23 and then being joined to Province 30 again. It is also a landmark as I now am responsible for the knights of three Provinces 30, 29 and 11 and being elected Provincial Grand Knight of Province 41. Many that know me, would know that I always live up to a challenge, and Province 41 is definitely a challenge in many ways. Looking at the councils I had taken over, I soon discovered some had actually gone dormant since before the pandemic, while others have not had a meeting since 2021. I started with 30 councils, which soon reduced to 27. Work is in progress to look at which councils cannot really continue in their current state, as some of the basic requirements of

deserving a charter certificate are not being met. On the positive side however, I now also look after some councils which 'shine' and would give the old councils in Province 30 a model which will certainly makes us all that much stronger.

We will sadly be saying goodbye to some really old council names who will become dormant until we can improve recruitment in their parishes. Co243 Hayes has already closed down, Co948 Harrow North will become dormant by the time this newsletter goes out. Co514, Feltham/Cranford, the council I joined when I became a Knight of St Columba will also be closing down. Some councils who cannot elect a Grand Knight and officers, cannot meet monthly, cannot be active in their community mostly because age demography, and number of brothers who are housebound, will be helped to overcome some of their difficulties, but in end about four other councils will most likely be going dormant and their members will be transferred to nearby councils.

On the more cheerful front, a lot of work has been going on to prepare for the launch of Province 41 Westminster. The records of each council brothers have been audited and updated, an audit of banking arrangements is in progress. 1st of April will also mean that a new financial year will be starting, and work is already in hand to identify brothers who may need help with meeting their membership fees, and in the background making sure that councils are prepared to be able to meet the Head Office and provincial levy invoices on time by the end of June 2024. In doing this every council will be able to concentrate on their ACTION work, the real work of the Order, looking after our widows, our housebound brothers while at the same time overhauling their council engine through their work in their community running local, provincial and national projects.

There are opportunities debate and plan projects which can be spiritual such as prayer groups, retreats, pilgrimages etc, or helping in their parishes and community by organising quiz nights, race nights, walks, etc. Projects do not always have to be fundraising, although raising money for special charity projects is also be looked at.

Councils rely on their four key officers to be on their toes and always to ready to promote ideas of things the council can be doing. ACTION is the ENGINE of the COUNCIL, there are an unending amount of activities and work that can be debated in council and then carried out month after month. That is why each council has four key officers to manage the work.

The Action & Youth officer has his hands full by identifying all the schools in the area, and meeting with the teachers to arrange for the youngster to participate in the KSC Easter and Nativity competitions. Each council has at least three schools within a few miles of their parish, and then there is the young groups in the parish who may also be interested.>> NEXT PAGE >>>

The **Membership and Development officer** have been given a list of about 18 jobs they can do in their parishes to identify and recruit new brothers. If this brother turns up for his monthly meeting and submits a “nothing to report”, he is definitely not meeting his workload. Apart from recruitment there is also the Development work - i.e. training his council brothers and helping them to meet the requirements of their office, and also training other brothers to be able to come forward and become more active in their council.

The **Welfare and Spirituality officer** has two really demanding jobs to meet. With his parish priest he can organise prayer groups, scripture readings, support for pilgrimages and retreats as well as preparing readings of scripture at each monthly meeting. The welfare part of the job entails looking out at brothers missing their meetings, and ensuring they are not in need of any help, looking after the widows, communicating with the housebound brothers and insuring they do not need help, especially if there are no family or friends around them. Keeping up to date records of widows and brothers to ensure communication details are up to date, and to know his brothers enough to identify any who may need Special Needs assistance.

The **Finance & Administration officer** - has the least popular job. I often match him with the ‘tax-collectors’ in the bible. He collects monies, levies, membership fees, 100-club money and other charity money, in a way that helps him keep the council financially sound and gives satisfaction that all accounting is clear and transparent. He liaises with the banks and produces financial reports every month. He is also responsible for all the administrative work of his council.

As I said at the time of my election, I am quite keen on ensuring that the four key officers, both at Provincial and Council level, live up to the commitment they have made when they received their collar of office, a ceremony made in church [usually], when they confirm they understand and are prepared to work hard to meet all their duty entails.

I have been reviewing and updating the seminars that were presented to the councils of Province 30 last year, and will include aspects of lessons learnt over the last twelve months. There will be on line seminars for the Grand Knights, separate sessions for the four officers above and a new seminar for the three new District Deputies that were elected last October. They will be visiting all the councils in Province 41 with the view of adopting one common standard across all the councils on the usual day-to-day running.

Since October when I was elected, I have spoken and exchanged emails with all of the 27 councils. I hope that by now most of the brothers have got used to Tony Berkeley and understand that there is a need to move up one, or even two gears from the previous years. Communications is key to a happy province, and I am hoping that my rate of follow-up on emails will ease as brothers understand that I do keep a communications record and review what responses I have had since the previous email. Working together I am sure that we can improve our standards, and hopefully become the best Province in the country. ☉

Tony Berkeley Provincial Grand Knight - Province 41 - WESTMINSTER.

From our Regional Director

Let me start by congratulating province 41 for their start as a new province.

You're having your first meeting in March 2024 where I hope to install all the officers for the province.

WELL DONE. I know Tony Berkeley will guide you on the right way and make this province the best in the country. It will be my last report as a Director for I will resign after the Provincial council meeting completely from the Order.

The reason is because at Supreme 2023 we voted for an increase of £2 on the head office dues. We were told that the Columba magazine was going down to one hard copy a year. Since then, it only comes an email version. There are brothers who are old and have no IT knowledge. What about the widows and the house bound. Recruitment often relied on the Columba to inform prospective brothers about what the order was all about. This option has now gone as well.

My council has ten brothers and are deciding that the £70 we pay a year for nothing will stop. If each brother in turn would spend that amount in a restaurant we would enjoy a better social for ten months. This will be open for discussion at our next council meeting. It was nice getting to know so many of you in our great Order while it lasted.

GEORGE MARRIOTT TRUST

At Province one often discussed the George Marriott Fund, and as a newcomer to this Province, I never knew the background to the fund. I wondered if there were others who also only had a vague idea of who Bro George was and how the fund came about. I did some research and since Bro. George was a Supreme officer, I thought this was the best route to obtain more information. I spoke to Bro Bertie Grogan, the Immediate past Supreme Knight, who referred me to Bro. Will Gallagher, who had just the information I was looking for.

As this was basically an article in the 1990 Columba I think it will be proper to give the author the credits and thank Bro FJ Redmond JP the then Supreme GK for his article which went Quote

With the death of Bro George Marriott on December 20th, 1989, our Order has lost a man of great integrity, wise council, absolute honesty, good humour, eagerness always to assist and encourage, and the sheer personification of Knighthood and its ideals.

Although having served as Grand Knight, Provincial Grand Knight and member of the Board of Directors during his 31 years of membership in the Order, he will be remembered for his 11 years as Supreme Treasurer, bringing his immense skills in all matters financial to the benefit of our Order; a talent that was recognised by the fact that he was the first Lay Person to be appointed as Financial Secretary at Westminster, for which he was eventually honoured by the award of the Knight of the Order of St. Gregory the Great, subsequently becoming a Knight Commander of the same Order.

He will be remembered by so very many people for his membership of the Catenians, the Knights of St. Columba and many other organisations and although we grieve the loss of such a perfect gentleman and Brother, once again we acknowledge the privilege in having known him.

A Brother who understood and recognised the strength of family support in carrying out the work of our Order, we now extend to his dear wife Eileen and their family our sincere thanks and gratitude for their tremendous support and unselfishness in assisting him to carry out his may duties.

We offer them also our deepest sympathy and condolences and our prayers both now and in the future that George will receive his Eternal Reward and that they too will receive the comfort and strength necessary in their great loss. May He Rest in peace.

The Provincial Committee meeting minutes that established the Bursary (Trust) on 4th December 1988 at 37 Imperial Road Windsor lay down the basic outline for a fund that would provide monies to help with the costs of training of seminarians, estimated (then) at around £5000 p.a. The costs identified were the assistance with laundry, basics, books, travelling etc, then estimated at around £395 per term. Other costs were those of developing natural gifts for students in attending specialised courses.

The founding Province voted that Councils would be invited to contribute by fundraising in their own areas, an annual amount equivalent to £8.00 per member. It was agreed that the Seminary would be Allen Hall of the diocese of Westminster, and that the Rector would be invited each year to nominate a student for sponsorship, and Province would then establish a one-to-one relationship with that student in order to create a personal interest for our council members.

The good news is that in this month of February 2024 the Trust donated £500 to a seminarian's request for help that came down to us from Head Office. The money will be helping him with his books and IT equipment, where he is studying at Allen Hall, situated in central London. The seminary stands in the tradition of the Douai Martyrs who gave their life for the Catholic faith in this country. The Seminary of the Diocese of Westminster has about 61 men who are currently in formation for ministry as catholic priests. This should help all our new councils in agreeing to keep the trust going in our new Province 41. >>> >>

>>>> George Marriott ... Continues >>>>

When Province 23 was amalgamated with Province 30, the Trust was adopted by Province 30 and was supported by all the councils who voted to make annual council donations of £50pa or whatever their council General Fund could afford.

Now that Province 30 is amalgamating with Province 11 and 29, the same process will be adopted, and the Trust will be put up for adoption at the first Province 41 Council meeting at Northfield on 16th of March 2024. There is currently no outstanding grant request.

The Grant that was made this February was in response to this brother's email Quote "Dear Brothers, I am a mature (62) seminarian in Formation, studying at Allen Hall Seminary ; for the Diocese of Westminster. I have a degree of Visual Impairment and need to use assistive technology ; in previous studies I have received government DSA grant to purchase equipment, The Formation Course is not recognised as being eligible for this grant aid; I understand the Knights may be able to make grants to aid seminarians , is this the case? THE END OF AN ERA

On Wednesday 17th January 2024 Province 29 met for their final meeting , prior to the consumption into Super Province 41, the Province for the whole of Westminster. Not one person at the meeting could remember a time before Province 29, so it must have been in existence many many year. Our Banner, Collars and paraphernalia were put away for the final time and we had tea. Coffee, cake biscuits snacks and wine to cheer ourselves up.

Mass was celebrated prior to the meeting and the photograph shows our Chaplain Fr Carlo and Officers and brothers of the Province in attendance. ☉

Province 41 - **Co488 Chiswick**

LOVE HEALS BODY MIND AND SPIRIT [LHBMS] : Is a Religious Retreat Centre and a Rehabilitation Centre for those suffering from drug and alcoholic addiction, with devastating consequences for families. 4561 UK deaths were caused by drugs poisoning in 2020. 18053 drug-related UK hospital admissions in 2018-2019. Alcoholic addiction is also increasing, and at least 1-in-8 teenagers are abusing illicit substances.

This charity offers Holistic & Medical treatment in a centre for Drug and Alcohol addiction. It is Based on Catholic tradition as practised by the Medical Sisters of St Joseph of Kerala in India.

A property with accommodation has been offered for the use of UK Residents by the Bishop of Portalegre/Branco Mem Soares. ☉

SMILE TRAIN : Comprehensive Treatment Grants

Smile Train's vision is to give every child with a cleft the opportunity for a healthy, productive life. Another key to this is the critical follow-up care such as speech therapy and orthodontics that many of our patients require after surgery. SmileTrain is dependent on voluntary donations to make that happen. We are equally committed to the highest standards of fundraising stewardship and operate strictly within the fundraising guidelines set by the Charity Commission. ☉

NORTH LONDON HOSPICE : Providing the best of life, at the end of life. Guaranteeing patient comfort on our Inpatient Unit and in their own homes. Our primary role as a hospice is to ease the suffering of those who are facing life-limiting illnesses. Pain relief is a top priority. Everyone experiences pain differently; it is unpredictable, unforgiving, and often feels unmanageable. However, here at North London Hospice we are dedicated to helping and empowering our patients, so they feel at ease and in control. ☉

Province 41 - **Co984 Thames Valley**

Water Aid : Right now, millions of children around the world like Aynadis in Ethiopia don't have clean water to drink, decent toilets to use or good hygiene to protect themselves. Without these basics, breaking the cycle of poverty is just a dream.

But when you help WaterAid dig a well or install a tap in a community, you're changing the lives of children for the better. The Knights of St Columba fundraising project in the coming months, will help children to stay in school instead of wasting their precious childhood walking to collect water. ☉

ALL 27 Councils in Province 41 are invited to vote for their favourite project from the above list. The project attracting the highest number of votes will be presented to the Provincial Council for adoption 2024/25. When adopted all the councils in province will be fundraising between April and October for the winning project, and hoping to raise between £10,000 - £15,000 for the chosen charity. ☉

Meeting the grass roots of the Order

Nine years ago, on Saturday 10th March, Province 23 was the first of the Provinces to host the new Supreme Knight's visits across the country. The Southern Area Provinces hosted his visit at Ascot Co590's Parish Hall at St Joseph in Bracknell. Our thanks to Fr Chris Rutledge the Parish Priest for the use of the parish hall at St Joseph's.

The occasion was well attended. There were brothers from a number of neighbouring Councils who appreciated the visit and came to Bracknell for the occasion.

It was the right opportunity to present the Meritorious Medal to Bro John Lynn in recognition of his work and dedication as sole organiser of St Edmund Campion's relic pilgrimage to Lyford, Wantage Tyburn Marble Arch. The relic is very well received in approximately eighty Parishes it stops over, on its tour through the Thames Valley to Marble Arch where St Edmund Campion [One of the forty English martyrs] was hung and quartered for his faith. There was a lot of good work done through the various workshops in Bracknell, and more information can be seen in the Head Office bulletin for May that year, which had just been circulated.

The Supreme Knight's visit was a new initiative to enable the Board to meet the brothers, hear their achievements and concerns and be able to answer questions. Something that is really necessary now when membership is difficult to recruit and brothers need encouragement in their work in their parishes and amongst their congregation.

Brothers were able to break up in groups and discuss strategy on recruitment, as well as other issues which they never really have a loud enough voice to reach the Board of Directors with. It may be time when costs of Supreme Council are forever high and brothers travelling more difficult, to think again whether it is time to bring back visits to councils in the various regions. It may also be time to reconsider the value that the SAPGK [Southern Area Provincial Grand Knights] committee had in providing coordination of efforts and exchange of thoughts for the Good of the Order, at no cost at all to Head Office. ☉

We pray for those in our families, friends, brothers and larger communities, who are sick, housebound, or in hospital and for those who care for them.

BEATITUDES

FOR FRIENDS OF THE AGED

Blessed are they who understand my faltering step and palsied hand.

Blessed are they who know my ears today must strain to catch the things they say.

Blessed are they who seem to know that my eyes are dim and my wits are slow.

Blessed are they who looked away when coffee spilled at table today.

Blessed are they with a cheery smile who stop for a chat for a little while.

Blessed are they who never say "You've told that story twice today."

Blessed are they who know the ways to bring back memories of yesterdays.

Blessed are they who make it known that I'm loved, respected and not alone.

Blessed are they who know I'm at a loss to find the strength to carry the Cross.

Blessed are they who ease the days on my journey Home in loving ways.
